COMPANY -PROFILE-

Company overview

About us

A2Z Drop Shipping (Pvt) Ltd is a Sri Lanka-based dropshipping company, established on 29th May 2023, owned and managed by Mohomad Ayoob Abdul Cader. The company focuses on supporting digital marketers and online entrepreneurs by providing reliable dropshipping solutions tailored to the Sri Lankan market.

We specialize in supplying 10,000+ ready-to-sell product leads, helping digital marketers quickly identify profitable products without the need for extensive product research or inventory investment.

Our services are designed to simplify e-commerce operations by handling product sourcing, order fulfillment, and delivery coordination.

With strong local market knowledge and a customer-focused approach, A2Z Drop Shipping (Pvt) Ltd enables digital marketers to focus on advertising, sales, and business growth while we manage the backend logistics efficiently and professionally.

Our Vision & Mission

Our Vision

To become Sri Lanka's most trusted dropshipping partner for digital marketers, enabling sustainable e-commerce growth through reliable systems, local expertise, and technology-driven solutions.

Our Mission

To empower digital marketers and online entrepreneurs in Sri Lanka by offering ready-to-sell product leads, efficient order fulfillment, and dependable local delivery enabling scalable e-commerce growth without inventory risk.

Director's Introduction

Mohomad Ayoob A Cader
Director | A2Z Drop Shipping (Pvt) Ltd

Mohomad Ayoob A Cader is the Director of A2Z Drop Shipping (Pvt) Ltd, a Sri Lanka-based dropshipping company established in 2023. With a strong understanding of digital marketing and e-commerce operations, he leads the company with a clear focus on supporting digital marketers and online entrepreneurs. Under his leadership, A2Z Drop Shipping (Pvt) Ltd has grown with a commitment to providing ready-to-sell product leads, reliable fulfillment, and efficient local delivery services. His vision is centered on building a trusted ecosystem that enables digital marketers to scale their businesses with confidence. Driven by innovation, quality service, and long-term growth, Mohomad Ayoob Abdul Cader continues to guide the company toward expansion in logistics, digital education, and future international operations.

Our Services

Product Lead Supply

We provide access to 10,000+ ready-to-sell product leads carefully selected for the Sri Lankan market, helping digital marketers identify profitable products without extensive research.

Product Sourcing

We handle product sourcing through trusted suppliers, ensuring product availability, quality, and market suitability for online sales campaigns.

Order Fulfillment

From order confirmation to packaging and dispatch, we manage the complete fulfillment process, ensuring accurate and efficient handling of customer orders.

Inventory Coordination

We coordinate stock availability with suppliers to reduce order delays and minimize fulfillment issues, supporting smooth dropshipping operations.

Local Delivery Services

We work with reliable local delivery partners to ensure timely and efficient delivery across Sri Lanka, providing a smooth customer experience.

Dedicated Support for Digital Marketers

Our services are tailored specifically for digital marketers, allowing them to focus on advertising, scaling campaigns, and customer acquisition while we manage backend operations.

PRODUCTS & TARGET MARKET

OUR PRODUCTS

A2Z Drop Shipping (Pvt) Ltd offers access to 10,000+ ready-to-sell product leads carefully selected to match Sri Lankan consumer demand. Our product range covers multiple high-performing categories suitable for online selling and digital marketing campaigns.

● Product Categories Include:

- Consumer Electronics & Accessories
- Home & Kitchen Essentials
- Health & Personal Care Products
- Fashion & Lifestyle Items
- Gadgets & Trending Products

All products are locally sourced or coordinated to ensure availability, faster delivery, and customer satisfaction within Sri Lanka.

TARGET MARKET

Our primary target market is digital marketers and online entrepreneurs operating within Sri Lanka who aim to sell products through social media platforms, websites, and online marketplaces.

● Target Customers:

- Digital Marketers
- Social Media Sellers
- E-commerce Entrepreneurs
- Online Business Startups
- Small & Medium Online Retailers

We focus on supporting individuals and businesses who want to scale their online sales without maintaining physical inventory.

Process Flow

Product Selection

Digital marketers choose suitable ready-to-sell product leads from our available product list based on market demand and campaign strategy.

Marketing & Sales

The selected products are promoted through digital marketing channels such as social media, websites, and online platforms to generate customer orders.

Order Submission

Once a customer places an order, the order details are submitted to A2Z Drop Shipping (Pvt) Ltd for processing.

Order Processing

We verify the order, coordinate product availability, and prepare it for fulfillment through our trusted supplier network.

Packaging & Dispatch

Products are carefully packaged and dispatched through reliable local delivery partners to ensure safe and timely delivery.

Delivery & Completion

The order is delivered to the end customer anywhere in Sri Lanka, completing the fulfillment cycle.

Ongoing Support

We provide continuous support to assist digital marketers with order tracking, issue resolution, and operational guidance.

Why are you choosing us

✓ Digital Marketer-Focused Services

Our business model is designed specifically for digital marketers, allowing you to focus on advertising and sales while we manage products, fulfillment, and delivery.

✓ 10,000+ Ready-to-Sell Product Leads

We provide access to a wide range of high-demand product leads, reducing product research time and helping you launch campaigns faster.

✓ Sri Lanka-Only Operations

By operating exclusively within Sri Lanka, we ensure better market understanding, faster delivery coordination, and reliable local support.

✓ End-to-End Fulfillment

From order confirmation to final delivery, we handle the complete fulfillment process through trusted local partners.

✓ Scalable & Low-Risk Model

Our dropshipping approach allows you to start without inventory investment and scale your business with confidence.

✓ Dedicated Business Support

We offer continuous support to assist with order management, issue resolution, and business growth.

✓ Performance-Based Commission Model

Earn additional commission by exceeding assigned sales targets. Higher sales volumes unlock higher profit opportunities.

Future Goals & Contact

Launch a Dedicated Delivery Service

To establish our own local delivery service to enhance delivery reliability, speed, and service quality across Sri Lanka.

Introduce 24-Hour Fast Delivery Services

To implement 24-hour fast delivery options in key regions, supporting digital marketers with faster order fulfillment and improved customer satisfaction.

Establish a Digital Institute

To launch a digital education institute offering training in digital marketing, e-commerce, and online business skills, helping develop professionals for the digital economy.

Re-Open Operations for Foreign Markets

To gradually re-open and expand services to foreign countries, enabling cross-border business opportunities and international market access in the future.

Through these initiatives, A2Z Drop Shipping (Pvt) Ltd aims to build a strong, scalable ecosystem that supports digital marketers locally and internationally.
