THE NATURAL CHOICE FOR A STRONGER, BEAUTIFUL TOMORROW

We bring nature's finest stones into your world, combining traditional craftsmanship with modern techniques to create spaces that inspire and last.

OUR VISION & MISSION

OUR VISION

To cater to evolving customer needs by introducing and expertly installing a unique range of natural slate tiles, paving stones, local and imported granites, quartz, and pebbles.

OUR MISSION

To elevate modern architecture by manufacturing and delivering exceptionally crafted granite and stone tiles in unique shapes and vibrant colors for homes, retail complexes, and dynamic development projects.

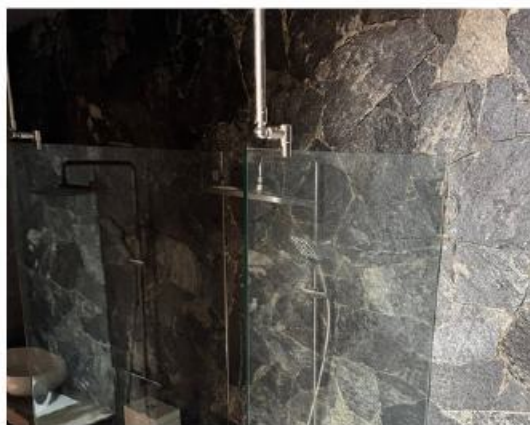

OUR PRODUCTS & SERVICES

At Kandy Natural Stones Granite & Quartz, we provide a comprehensive range of natural and decorative stone solutions for residential, commercial, architectural and landscaping applications. From custom-made countertops and premium slabs to paving stones, monuments and garden requirements, every solution is selected and crafted with a focus on quality, durability, functionality and timeless natural beauty.

01 | PANTRY TOPS & VANITY TOPS

We specialize in premium stone surfaces for kitchens, pantries, bathrooms and vanity areas. Our countertops are carefully measured and custom-made to suit the required dimensions, layout and overall design of your space.

Applications

- Kitchen & Pantry Countertops
- Bathroom & Vanity Countertops
- Custom Counter Surfaces
- Residential & Commercial Projects

Custom Made to Your Requirements

Every piece can be tailored according to your required size, shape, finish and application, providing a seamless combination of functionality and aesthetic appeal.

02 | SLABS & TILES

Our selection of stone slabs and tiles provides versatile solutions for creating elegant interiors and exteriors. Carefully selected materials can be used to complement both contemporary and traditional architectural designs.

Suitable for

- Floors & Wall Surfaces
- Countertops
- Feature Walls
- Staircases
- Bathrooms
- Interior & Exterior Applications

From subtle natural textures to distinctive stone patterns, our products bring an authentic character to every space.

03 | NATURAL STONES & CULTURED STONES

We offer natural stones and culture stones for projects that require a distinctive architectural finish. These materials can transform ordinary surfaces into visually striking features while adding texture, depth and natural character.

Applications

- Exterior Wall Cladding
- Interior Feature Walls
- Boundary Walls
- Pillars & Columns
- Staircase Areas
- Landscape Features
- Residential & Commercial Architecture

Our stone solutions are selected to deliver a balance of natural beauty, durability and architectural appeal.

04 | MONUMENTS, GARDEN & CUSTOM STONE SOLUTIONS

Natural Stone for Lasting Beauty

Custom stone solutions for monuments, memorials, garden landscaping, pathways, decorative features and outdoor spaces, crafted to suit your required design, size and finish.

05 | CUSTOM-MADE TO YOUR REQUIREMENTS

At Kandy Natural Stones Granite & Quartz, we understand that every project is different. That's why our stone solutions can be custom-made according to your specific requirements, including dimensions, shape, application and desired finish.

Quality Materials | Precision Craftsmanship | Custom Solutions | Lasting Beauty
